---

The History with Teacher Certification Option is for students who would like to major in History and gain Illinois state certification at the secondary level to teach all of the social sciences (history, economics, geography, political science, psychology and sociology/anthropology). Students must receive a grade of “C” or better in all courses in the major and maintain a minimum cumulative and major G.P.A. of 2.75. For students also wanting to be eligible to teach middle school history, additional Middle Level Education courses are required.

This option requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Certification programs as described in the “Teacher Certification Programs” section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Students must gain University Approval to Take Teacher Education Courses no later than the end of their first semester Junior year in order to use this suggested plan. Additional information on Admission, Retention and Graduation for Teacher Certification programs can be found on the College of Education & Professional Studies website at [www.eiu.edu/ceps/teached](http://www.eiu.edu/ceps/teached).

All students must pass the Illinois Certification Test of Basic Skills for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a “C” or better in all professional education courses and maintain a minimum cumulative and major GPA of 2.65 in order to continue in the education program. Students must receive a “C” or better in all professional education and major courses, and maintain a minimum cumulative and major GPA of 2.75, in order to be approved for student teaching. Approval for student teaching requires that the minimum GPA be held at the beginning of the semester prior to the student-teaching semester.

Students have two options for completing the professional education coursework – Regular Secondary Education Program and Integrated Secondary Education Program (ISEP). For more information regarding these two options, please consult with your advisor. Information is also available in the Teacher Certification Program section of this catalog.

## ATTACHMENT B

### Elementary Education Add Program to Portfolio

---

**Program Mission:** The Department of Early Childhood, Elementary, and Middle Level Education seeks to advance scholarly preparation by providing quality teaching and promoting excellence in research/ creative activity in order for graduate students to exemplify best teaching practices for children from birth through age fourteen.

The department is dedicated to the preparation of knowledgeable citizens of the 21<sup>st</sup> century and seeks to empower individuals to meet the challenges faced by professional educators in a rapidly changing society. Candidates for the Master of Science in education Degree will be prepared to teach in diverse environments recognizing multiple pathways of learning.

The Department is committed to enhancing the graduate academic experience in order to create educators who can function effectively in a culturally diverse, technologically advanced, and global environment in order to engage learning at all levels.

**Accreditation:** National Council for Accreditation of Teacher Education and North Central Association.

**Admission Requirements:** To be eligible for degree candidacy, applicants must meet all of the requirements for admission to the Graduate School (see "Admission to Graduate Degree and Certificate Programs"). In addition, students must:

- Complete and submit the departmental admission application with additional information as outlined:
  1. A copy of transcripts showing required 3.0 GPA within last 60 hours (or 3.0 GPA in first 12 hours of graduate coursework);
  2. A copy of current teaching certificate (including type, issuing state, and year granted). If you do not have certification at the appropriate level you will need to complete the course work necessary for certification which may entail undergraduate and graduate credits.
  3. 2 letters of recommendation - professional sources
  4. Resume
  5. A letter of application (double-spaced, 2 pages maximum) expressing your goals for the masters program

**Study Plan Approval:** The study plan shall be approved by the department and filed with the departmental graduate coordinator prior to the completion of 12 semester hours of graduate credit which count toward the graduate degree.

### Degree Requirements

---

Degree requirements include those outlined for the master of science in education degree by the Graduate School (see "Requirements for the Master of Science in Education Degree"). Additional requirements include a minimum of 15 semester hours in an emphasis area from EIU Early Childhood, Elementary Education or Middle Level Education courses, and a thesis or applied/action research requirement. Evening classes, off-campus classes, summer sessions and independent study arrangements are offered, permitting students to pursue

graduate degrees while meeting other personal and professional commitments.

The course of study consists of 35-36 semester hours of course credit with an applied/action research or thesis requirement. The program is designed to encompass three areas: basic courses in education (these courses provide a background in fundamental educational theory), specific requirements in an area of emphasis and a research component.

The program is devoted to the field of elementary education with opportunities for study in the emphasis areas such as early childhood, elementary curriculum, elementary integrated curriculum, middle level, and reading. Students may choose courses according to individual needs, professional interests, and teaching level. Courses in reading may be selected which will lead to the Illinois certification for reading teacher endorsement and meet the standards of the International Reading Association.
