Catalog Revision Request for Bachelor of Music, Teacher Licensure Option

Effective Fall 2017

The proposed catalog changes involve the following items:

- Replace MUS 3586/3596 with MUS 3553G/3593G. This changes the current three-semester survey into two semesters (MUS 3584/94 and MUS 3585/95), preceded by MUS 3593G Survey of Musical Masterworks, which provides students with both a large-scale overview of historical/musical currents and an introduction to studying music history. Many university music programs are moving to a sequence, which provides students with a broad overview of music history before studying various musical periods in depth. In addition, this change will make it easier for our transfer students, who often have taken an equivalent course at their institution.
- Require successful completion of MUS 3100 – Junior Recital: Teacher Licensure Option to meet accreditation standards. This request applies only to the General Music Concentration, as the two other concentrations already require MUS 3100 for graduation.
- Replace the A, B, D, and E sections of music ensembles with the newly-created “R” sections.
