

September 1 Meeting Minutes:

Thank you to those of you who were able to attend the meeting today. I feel as though it was successful in nature. Welcome aboard to our new executive officers:

Kristen Gisondi of Political Science- VP of Public Relations

Victoria Youngs of Clinical Psych- VP of Programming

Hanna Hobson of Clinical Psych- VP of Administrative Activities

Amber Webb of College Student Affairs- VP of Member Recruitment

Sarah Dadoo of Family and Consumer Science- Student Dean

Charity Huwe of Curriculum & Instruction- President

At today's meeting we discussed:

*social events (dinner/drinks at Dirty's, Trivia at the Paw, EIU football game)

*educational meetings/potential speakers (L.I.F.E. Center, Writing Center, EIU Counseling Center, someone to talk about how to get your work published)

*suggestions for group upliftings ("G-Snaps" during meetings)

*volunteer opportunities (SOFF, First Fruits Homestead Vegetable Garden, Food Pantry, EIU Volunteer Day, Girls on the Run, Stride)

*possible t-shirt making (I'd love to see this happen! If anyone wants to spearhead making a t-shirt design for GSAC with a cool slogan that would be awesome! We could wear these shirts to social events or volunteer opportunities to help promote our group and graduate students in general.)
