NOTES FROM THE DIRECTOR

Change Coming for Grants.gov

Grants.gov will soon begin using a very specific version of the Adobe Acrobat Reader for application packages that are posted by Federal grant-making agencies. There will be a transition period during which PureEdge forms will still work.

Submissions and Awards

The listing on pages 2 - 3 recognizes everyone who received a grant or submitted a proposal for external funding during the second quarter of FY08.

Proposal Initiative Fund Awardees

Congratulations to recipients of grants on the second round of PIF funding for FY2008. A list of awardees is found on page 2.
