HON 1290-003	99584	Rock Me Amadeus – The Genius Seminar	C. England	1-1:50pm W	18	12

#### Course Description: Rock Me Amadeus--The Genius Seminar

What is genius and where does creative inspiration come from? These are the two big questions at the heart of a seminar that opens with a reading of Peter Shaeffer's *Amadeus*. Students can expect to do some literary and film criticism and to examine some influential nonfiction accounts of the nature of inspiration. Along the way we will ask how ordinary mortals might extend their own creative capacities and experience more inspired thinking.
