TOPIC	DISCUSSION
<p>Introductions and Updates by schools</p>	<p>University of Chicago – It's their finals week right now. Are preparing for the summer planning period to develop a more comprehensive prevention plan. Planning to implement BASICS in the fall. Still working to schedule a training for their staff on BASICS.</p> <p>IHEC – We have submitted our packet for FY 17 funding. We are optimistic about FY 17 funding and currently brainstorming the training schedule. There were 500 people registered for the THC concentrates webinar! We still have 3 webinars coming up!</p>
<p>Resources to share</p>	<p>Dave shared information regarding the IHEC training DVDs.</p> <p>Gave a tour of the SAMHSA CAPT website, free online courses and toolkits.</p> <p>Referenced IHEC's Biennial review templates and resources.</p> <p>We discussed the possible trainings for FY 17. Feedback regarding online advisory meetings was positive. Main suggestion was to limit the meetings to one hour. Should allow more to attend during the busy periods.</p>
<p>Next meetings</p>	<p>To be determined</p>
