TOPIC	DISCUSSION
<p>Introductions and Updates by schools</p>	<p>Parkland Sara is new to Parkland and has been getting settled in to the new position. No other updates at this time.</p> <p>UIS They are experiencing some issues with the on campus housing. Particularly in Founders Hall. There was a car that went off the road and the occupants began throwing bags of cocaine from the vehicle. 2 students were stabbed over the weekend. They are both receiving treatment in the local hospital. The incident occurred in Founders Hall. The new marketing banners have started being noticed by administration.</p> <p>EIU Eric provided an update on the tobacco grant's status. It is still pending and no contracts have been issued yet.</p> <p>IHEC We are now approved providers of counselor and social worker CEU's for the Illinois Department of Financial and Professional Regulation. Training calendar is filling up. David Anderson is coming to put on a one day Leadership Summit. We hope to have presidents attending. The 2015 College Town Summit will be held at EIU on November 18<sup>th</sup>, 2015. IHEC will be offering the CORE survey again this year and using the pilot version rather than the old version of the survey. The CORE has said they intend to have the previous executive summaries out by the time we are ready to send out this year's survey.</p>
<p>Happy Hour, BASSET, Amnesty, and Smoke Free Campus</p>	<p>Parkland hasn't seen any issues with any of these new laws.</p> <p>EIU has had minor issues with the happy hour law and smoke free campus. Eric explained the alcohol amnesty law and how it effects/doesn't affect college campuses.</p> <p>UIS has not seen any issues with the happy hour or BASSET laws. They have seen problems with smoke free campus act. There is no one on campus enforcing the act, thus students/staff are smoking wherever the please</p>
