| TOPIC | DISCUSSION |
|---|---|
| <p>Introductions and Updates by schools</p> | <p>Resurrection University They recently attended the Chicagoland Counseling Center Meeting. Resurrection has a new President and is searching for a Dean of Nursing. They have begun using Mediat for their electronic healthcare system.</p> <p>Western Illinois University Their Coordinator is taking a faculty position this Fall. They are hoping to fill that position ASAP, but the new person will not be able to start until August 17th. They are combining their AOD prevention efforts and Health Education more closely than before</p> <p>Illinois Higher Education Center The Q4 meeting is the last professional development opportunity from IHEC this fiscal year. June 30th will be IHEC's last day open this fiscal year. Employees will be on lay off until we hear if our grant has been re-awarded and re-funded for FY 18. IHEC is nearing the end of completing the 2014 and 2016 CORE state-wide summaries. Those will be distributed via listserv and website when complete. IHEC is also in the editing process for their Parent Based Interventions Toolkit and the Evidence Based Strategies Toolkit. Those will be made available via listserv and website when complete. If you have not already done so, please provide updates on contact information for your school on the new IHEC database emailed out via the listserv. During our lay-off period, Affiliates may send emails to ihec@eiu.edu where they can be held until we return.</p> |
| <p>Discussion/Idea Sharing</p> | <p>Event Locations Both Resurrection and WIU appreciated the format of the virtual meeting due to limited travel availability based on budget challenges. Kasey shared that increased webinars and fewer in-person trainings are planned for next year. IHEC hopes that in the future they may be able to live stream meetings and training.</p> <p>Consultations Susan shared that Resurrection would like to type up their "Consultation Visit Success Story" to share with other affiliates that may be considering hosting IHEC for a Consultation Visit. She will email this story to ihec@eiu.edu</p> |
| <p>FY 18 Needs</p> | <p>Resurrection asked if IHEC would be able to review their programming plans for AOD prevention that their AOD task force is currently creating. Kasey shared that IHEC is always happy to review your plans and make suggestions.</p> <p>WIU asked if the CORE would be offered again. Kasey shared that paying for the administration for the CORE is in the proposed IHEC budget for FY18. Vivian also mentioned that they will be interested in trainings/professional development on the basics of prevention work for their newly hired employee in the fall.</p> |
