

## STEP UP!

**PLEASE DO NOT WRITE YOUR NAME ON THIS PAPER! THANKS!**

1. I have witnessed a situation in which someone’s health and/or safety have been in danger. Mark all that apply.

- Someone was drinking too much
- Someone who was drinking intends to drive
- Someone was engaged in hazing or being hazed
- Someone potentially was going to be taken advantage of or was going to take advantage of someone sexually
- Someone was in physical danger
- Someone was struggling with an issue (i.e., depression, eating disorder, grief)
- None of the above
- Other

Using the following scale (“Strongly Disagree” to “Strongly Agree”), indicate the level to which you agree or disagree with each statement.

	<b>Strongly Disagree</b>	<b>Disagree</b>	<b>Agree</b>	<b>Strongly Agree</b>
2. If someone intervenes in a problem situation, a negative outcome can usually be avoided.				
3. I am more likely to intervene in a situation if others are present.				
4. Sometimes I do not say or do anything because no one else sees something as a problem.				
5. I know it is my responsibility to intervene when I am aware of a problem situation.				
6. I have the skills to intervene with my peers.				
7. I am confident I know how to help when I see an event that requires action or intervention.
