

Important Dates for Course Planning Spring 2025

This document includes weekly timetables for courses scheduled in three different formats depending on how faculty (professors, instructors, and adjuncts) prefer to structure their courses and schedule assignment due dates: Monday through Sunday, Saturday through Friday, and Sunday through Saturday. The purpose is to provide a tool to aid in course planning. Please feel welcome to share this schedule with all faculty including adjunct instructors in your department. For additional academic calendar reference, please access the link to the [Current & Future Academic Calendars webpage](#).
