 2020-2021 Catalog

Prior High School Study

Students with 2-3 years in high school usually begin at the intermediate level and take French/German/Spanish 2201G. Students with 4 years of high school study may be able to begin in 2202G. Placement test to assess level is available but is optional.

AP

A score of 3 will receive credit for 2201G (4 credits).

A score of 4 will receive credit for 2201G and 2202G (8 credits).

A score of 5 will receive credit for 2201G, 2202G, and one 3000-level course (11 credits total).

Seal of Biliteracy

A student who has received the State Seal of Biliteracy will receive a total of 8 credits. This is the equivalent of first semester (4 credits) and second semester (4 credits).

Advanced Competency

You will receive up to 6 credits free of charge for language study completed in high school. Credits count toward graduation and are applied after you complete two language courses (8 hours) at EIU. Students must begin in 1102 (second semester) or at the 2000-level.

Proficiency Exams for Credit

Popular option for Spanish students who have picked up Spanish skills at home, through travel or work abroad. Take our proficiency exams for Spanish 3000 Grammar in Context, and/or Spanish 3050 Conversation and Pronunciation. Upon passing the exam(s), you'll get 4 credits for Spanish 3000 and 4 credits for Spanish 3050.

Study Abroad: Credits through Study Abroad

World Language majors with Teacher Licensure are strongly encouraged to study abroad. **A semester at our partner schools abroad yields 12 to 16 hours in your language.** Short-term programs (Spring Break; Summer) yield 2 to 8 credits (depending on length of stay).

Minor and/or Electives:

We recommend that teacher education candidates in Spanish choose a Minor in Latin American Studies (LAS). All teacher education candidates in languages are encouraged to take courses in History, Geography or Political Science to prepare for the cultural component of their Illinois licensure exam. Consult with Advisor.
