

College of Health and Human Services - Professional Licensure Disclosure

EIU's Dietetic Internship (DI) program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The CDR exam is administered by Pearson VUE. Passing the CDR exam allows for a student to apply for licensure in any state that requires it to practice as a Registered Dietitian Nutritionist (RDN).

[*Licensure information by state](#)

State	Academic Unit	Degree/Program	License/Certification	Program Determination
Illinois	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
State	Academic Unit	Degree/Program	License/Certification	Program Determination
Alabama	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Alaska	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Arizona	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Arkansas	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
California	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

Colorado	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Connecticut	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Delaware	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
District of Columbia	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Florida	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Georgia	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Hawaii	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

Idaho	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Indiana	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Iowa	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Kansas	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Kentucky	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Louisiana	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Maine	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

Maryland	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Massachusetts	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Michigan	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Minnesota	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Mississippi	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Missouri	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Montana	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

Nebraska	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Nevada	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
New Hampshire	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
New Jersey	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
New Mexico	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
New York	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
North Carolina	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

North Dakota	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Ohio	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Oklahoma	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Oregon	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Pennsylvania	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Rhode Island	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
South Carolina	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam

South Dakota	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Tennessee	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
Texas	Nutrition and Dietetics (NTR)	Dietetic Internship (DI)	ACEND-accredited supervised practice	Successful completion of a dietetic internship (supervised practice) prepares a student from any US state or territory to sit for the Commission on Dietetic Registration (CDR) exam
