Canva Magic Studio for Teachers

Discover tools to enhance classroom creativity

Introducing Canva Magic Studio for

The screenshot displays the Canva Magic Studio interface. On the left is a sidebar with navigation icons for Home, Projects, Templates, Brand, Apps, Classroom, and Team Lab. The main content area features a large video player titled "Meet Magic Studio" with the subtitle "All the power of AI, all in one place. Magic Studio brings together the best AI-powered tools for you and your team, right inside Canva." Below the video player is a section titled "From idea to design with Magic Design" containing three cards: "Magic Design" (with a "Try now" button), "Magic Design for presentations" (with a "Try now" button), and "Magic Design for video" (with a "Try now" button). The top of the interface includes a search bar and user profile information.
